AUSTRALIA STUDY AWARDS

Origin: AUSTRALIA

Description

Australia Awards Scholarships are long-term awards administered by the Australian Department of Foreign Affairs and Trade. They provide opportunities for people from developing countries, particularly those countries located in the Indo-Pacific region, to undertake full-time undergraduate or postgraduate studies at participating Australian universities and Technical and Further Education (TAFE) institutions.

This scholarship is offered to students from various countries in Asia, Pacific, and Middle Eastern regions.

Eligibility

1. Must be at least 18 years of age as of 1 February of the year of commencing the scholarship.
2. Must be a citizen of a participating country (as listed on the Australia Awards website) and be residing in and applying for the scholarship from their country of citizenship.
3. Should not be a citizen of Australia, hold permanent residency in Australia, or be applying for a visa to live in Australia permanently.
4. Should not be applying for a scholarship for a course of study at an academic level lesser than they have already achieved.

You can read about the entire eligibility criteria in the official [Australia Awards Policy Handbook](#).

The field(s) of study covered

Undergraduate or Postgraduate Programmes that are related to your country's priority areas for development, which are listed on the participating country profiles.

Grant amount

Generally includes full tuition fee benefits and more

COMMONWEALTH SCHOLARSHIP & FELLOWSHIP

Origin: UK

Description

Commonwealth Scholarships are offered to talented individuals with the potential to make a positive impact on the global stage. The Commonwealth Scholarship scheme is aimed at students from across the Commonwealth who would not otherwise be able to afford to study in the UK. By funding postgraduate studies in a range of different study formats, the scheme helps to support future innovators and leaders.

This historic award is the UK's primary scholarship scheme focused on supporting British international development goals. It is designed to attract outstanding talent to UK universities while also supporting sustainable development overseas.

Eligibility

1. Must be an Indian citizen.
2. Must be applying to UK universities.
3. The medium of education must be English.
4. Secure a minimum of 60% marks in Social Sciences and Humanities or a minimum of 65% marks in the field of Engineering, Science, Technology, and Agriculture.

Preliminary interviews are conducted by the Ministry of Human Resource Development to shortlist deserving students.

The field(s) of study covered

- Engineering and Technology
- Pure and Applied Science
- Agriculture
- Social Sciences and Humanities

Grant amount

Most scholarships are fully funded; they will cover your tuition fees, the cost of airfare to and from the UK, as well as a living allowance.
